

COLETTE

CHAIRS | Indoor

ROBERTO LAZZERONI

The refined design of the Colette and Colette Office chairs is inspired by what Roberto Lazzeroni calls "the infinite catalogue of memory". The classic profiles of the two chairs, upholstered in the finest leather, recall the elegance of yesteryear, a simple yet assured style that fully embodies the link between past and future, between convention and experimentation. Baxter's own meticulous research into materials is evident in the way it pairs leather – a living, evolving element with a story to tell – with fine woods to create completely original combinations. The possibility of customising every chair – choosing between the materials, the armrests, the comfort of the armchair version – makes Colette a unique and exclusive piece, an iconic chair that enhances any space: from the office to the dining room, from the bedroom to the living room.

Structure: backrest frame in curved poplar and birch plywood.

Padding / Filling: padding in differentiated density polyurethane foam with acrylic fibre cover.

Spring system: springs in elastic straps of covered rubber.

Feet / Legs: base in wengé-stained ash. Foot cap in material of choice with matt varnish (chair, stool and armchair).

Black varnished metal swivel base with fixed brass feet or castors and mechanism to adjust seat height and backrest tilt (Office).

Decoration: decorative piping in the same shade of leather.

Available in soft leather only: backrest (chair), seat with leather band under the seat and inner backrest (chair with armrests, armchair, stool and Office).

12% surcharge for the base stained with sample colour.

6% surcharge for two different leathers or colours. *

12% surcharge for free configuration.

The price is determined by the higher category.
